**IF GREYHOUNDS WERE
TEACHERS...**

You would learn things like:

**When a loved one comes home,
always run to greet them.**

**Never pass up the opportunity to go
for a joy-ride.**

**Allow the experience of fresh air
and wind in your face to be pure
ecstasy.**

Take naps,

Stretch before rising.

Run, romp and play daily.

**Thrive on attention and let people
touch you.**

**Avoid biting when a simple growl
will do.**

**On warm days, stop to lie on your
back in the grass.**

**On hot days, drink lots of water and
lie under a shade tree.**

**When you are happy, dance around
and wag your entire body.**

Delight in the simple joy of a walk.

Eat with gusto and enthusiasm.

Be loyal.

**Never pretend to be something you
are not.**

**If what you want lies buried, dig
until you find it.**

**When someone is having a bad day,
sit close, be silent and nuzzle them
gently.**

IN REMEMBRANCE

Our thoughts and prayers go out to Amber Burton and her family who recently lost their beloved Daisy. Daisy was greatly loved by Amber and her daughter Haylie. She is also

missed by her Beagle friend, Buddy and Boston Bulldog friend, Oreo.
.....
We also send our prayers to the family and friends of Sarah Hawthorne, who specifically leaves behind her dear friend Lorraine and Louie, Simone, Tiny and Sergio, who was adopted about a year ago. Sarah is sadly missed by all.

Our special thoughts go out to Mike Harak of Warner Robins, who lost his Mom after a courageous battle with cancer.

We want to say a special prayer for Mr. Fleck who lost his beloved pet, Papa, later named Bubba. We will share a letter he sent to us in next month's newsletter.

I am Athena and I would love a home!

AVAILABLE

Italian Greyhounds

Medge: An adorable, athletic and huggable little Italian Greyhound Mom to the rest of the clan. She is mostly black and loves to jump into your arms and give you a big hug! Enjoys other dogs.

Sissy: A precious little face to go with those beautiful eyes, she is somewhat timid but a very lovable lap dog. As Italian Greyhounds go, this little lady is a little lady. Lovely blue shade to go with the petite little girl.

Salvadore: quiet right now, this little man is a beautiful black Italian Greyhound boy. He gets along well with the other dogs as he adjusts to his new digs.

Sinatra: A small blue and white Italian Greyhound, born August, 2006 with brother Santos. Very outgoing and really enjoy toys, treats and rawhides. And sitting beside you on the couch.

Santos: A little more reserved than his brother (see **Sinatra**) he is a black and white Italian Greyhound. He love treats and rawhides and will not hesitate to take them away from his brother.

Churchill: He is an adorable white and blue Italian Greyhound guy. Even though he is ten years old, he is playful and cuddly, too. And what a smile! He plays well with other dogs, but would prefer a home without small children.

An ideal home for Italian Greyhounds is one that either now or in the past has owned an Italian Greyhound.

Standard Greyhounds

Kay Watch: An adorable black boy with a petite little face. Loves to give (and get) kisses. Ear rubbing is good, too. He really enjoys the couch and chewing rawhides and pig ears.

Clutter: A young, black girl, who was born in October, 2005. She has a little white on her chest and white feet and tail tip. She is such a sweet, happy, social little thing, with a large and pretty smile. Loves attention but shares with all her friends, too!

Henry: He is a young – four years old - large, black male with the lucky ridge on his neck and pigeon toes! He loves to bounce and play! Some say he is unique and a favorite. He has a little knot on his head and a roman nose... cat and small dog safe. Wanna play catch!?

Sleepy aka Freckles: A white and red girl with some ticking. Born February, 2003, she is a sweet and nosey little thing. She has really big ears and seems alert all the time.

Athena: Born in 2003, she is a brindle lady with an elegant roman nose. She is very lovable and especially loves cuddling. Definitely a dog that will love you back.

Electric Flicker: Flicker is our oldest girl at 11. She was used for breeding before retired. The sweetest brindle and blue girl, Flicker “flicks” her tail constantly, sucking up all the attention she can get on walks. She is cat and small dog safe with a winning attitude.

Lightfoot: He is a black/white beautiful boy, born in 1998. He is cat and small dog safe, and loves people. Also tolerate everything, including the little Iggies bouncing around him all the time!

Tazmanian Brandy: She is a white and fawn girl and was born in July, 1999. She is *very* sweet and social. Loves being on the go all the time and is cat and small dog safe. Very cute!

Mr. Ro: Our most recent arrival, he’s made a great adjustment and loves his new friends. A big boy and with a glistening black coat. Friendly, smart and playful!

I am Freckles and I am very lovable...I need a home.

is seven years old and a beautiful fawn colored female.

In addition, Kelli has two cats, three red-eared sliders (turtles), and the beloved Annabelle, a best-friend to greyhounds Catalueka.

Though busy with the animals and plans for their wedding, Wed says he used to enjoy drag racing with his truck and hopes to get back to that one day.

Owning a greyhound "is the best thing ever. I wouldn't have it any other way. Even if Windy tries to kick me out of bed at night or won't let me watch TV until I get on the floor and wrestle with her, I can't imagine my life without Windy."

Something many owners can relate to.

Thanks Wed and Kelli for all of your generous time for the hounds at Greyhound Galore and for sharing your lives with Windy, Annabelle and your other precious critters. They are lucky to have found you both!
