

UPCOMING EVENTS

Thanks to all of you who showed up to help with the meet and greet at Tractor Supply in Warner Robins last month The Fegans showed up with their pups, the Waldos came by and helped out and the Turners came down from Fayetteville to help transport the dogs and things. It was great fun to see everyone and to have so much help!

Kay Watch watches over Athena.

We'd both like a new home!!

IN REMEMBRANCE

Lets say a special prayer for all of the homeless and mistreated canines around us. A day doesn't go past that we don't come upon a dog that has been neglected, abandoned or mistreated. One need only look into their vacant eyes to know theirs is a soul that longs for comfort and someone to love them. How fortunate the hounds are who have found Greyhounds Galore and Jackie and Paul to care for and love them all.

!!!FEATURING!!!

My name is Churchill and I need a home!

LOOK who's been ADOPTED!!!

Bye, Bye Brandy!!

Congratulations to the Andersons of Warner Robins who have taken **Tasmanian Brandy** into their hearts and home! She has landed a wonderful family with two older brothers to look after her!

Little Iggy **Salvadore** found a home with Jayne and Stacey Werkmeister of Martinez where he has several greyhound siblings and has quickly become a "mama's boy!"

Lightfoot and **Sissy** have found new homes with Ken and Rachel Ward of Evans. Lightfoot has two wonderful greyhound sisters and older brother. Sissy has a human sister and they are inseparable.

!!!NEW ARRIVALS!!!

LENA, a 14 year old fawn girl
JEFFREY, a 14 year old black boy, with white marking around his face; and **MURPHY**, a 5 year old whippet-mix.

These dogs arrived from a domestic violence situation. The owner states that her life was threatened by her ex-husband, so she left her dogs for several months at her home. During that time they were not attended very well and by the time these dogs were brought to Greyhounds

Galore, they were emaciated, neglected and frightened of people. As bad as domestic violence is for people, it can be worse for animals. So often when escaping a violent household, people leave animals behind and never return to care for them! If you know of someone in this situation, please help them to get care for their animals.

Domestic violence is bad for animals, too!

AVAILABLE

Italian Greyhounds

Medge: An adorable, athletic and huggable little Italian Greyhound Mom to the rest of the clan. She is mostly black and loves to jump into your arms and give you a big hug! Enjoys other dogs.

Sinatra: A small blue and white Italian Greyhound, born August, 2006 with brother Santos. Very outgoing and really enjoy toys, treats and rawhides. And sitting beside you on the couch.

Santos: A little more reserved than his brother (see **Sinatra**) he is a black and white Italian Greyhound. He love treats and rawhides and will not hesitate to take them away from his brother.

Churchill: He is an adorable white and blue Italian Greyhound guy. Even though he is ten years old, he is playful and cuddly, too. And what a smile! He plays well with other dogs, but would prefer a home without small children.

An ideal home for Italian Greyhounds is one that either now or in the past has owned an Italian Greyhound.

Standard Greyhounds

Kay Watch: An adorable black boy with a petite little face. Loves to give (and get) kisses. Ear rubbing is good, too. He really enjoys the couch and chewing rawhides and pig ears.

Clutter: A young, black girl, who was born in October, 2005. She has a little white on her chest and white feet and tail tip. She is such a sweet, happy, social little thing, with a large and pretty smile. Loves attention but shares with all her friends, too!

Henry: He is a young – four years old - large, black male with the lucky ridge on his neck and pigeon toes! He loves to bounce and play! Some say he is unique and a favorite. He has a little knot on his head and a roman nose... cat and small dog safe. Wanna play catch!?

Sleepy aka Freckles: A white and red girl with some ticking. Born February, 2003, she is a sweet and nosey little thing. She has really big ears and seems alert all the time.

Athena: Born in 2003, she is a brindle lady with an elegant roman nose. She is very lovable and especially loves cuddling. Definitely a dog that will love you back.

Electric Flicker: Flicker is our oldest girl at 11. She was used for breeding before retired. The sweetest brindle and blue girl, Flicker “flicks” her tail constantly, sucking up all the attention she can get on walks. She is cat and small dog safe with a winning attitude.

Mr. Ro: A recent arrival, he’s made a great adjustment and loves his new friends. A big boy and with a glistening black coat. Friendly, smart and playful!

Contact Jackie at 742-0474 if you would like to adopt or sponsor any of these dogs.

three more greyhounds to join the pack. "Clark, me, Mallory and Ri were all in a daze and missed Lily so terribly we went to Thomasville and after meeting Chloe, we thought she would be "okay". When your heart is hurting, it is hard to take in another one...but she came into the house...and we were able to smile again at her bone chewing and toy collecting. She promptly jumped into the middle of our bed like she belonged there!" Mallory later passed away from bone cancer.

!!CELEBRATE!!

MEET GREYHOUND OWNERS

Suzy and Clark Neal

The home of Suzy and Clark Neal in Albany, Georgia is filled with the patter, rather gallop, of little feet. Not the two-legged, but the four legged kind. And Suzy readily refers to them as "the pack."

Though having suffered the loss of their beloved Lily, Suzy, Clark and their Brittany Spaniel, Ri kept their generous hearts open for

Greyhounds residing in the Neal pack are Joe, 11, a fawn male; Chloe, a blue fawn female, 8 and Bonnie, a brindle age 4.

Ri is their 14 year old Brittany and rules the kingdom.

In addition to rescuing and caring for their pack, Suzy and Clark ride road and mountain bikes and enjoy the outdoors. They own a freight brokerage and take their dogs to work. They tell their employees that they

had better not be allergic or dislike dogs because they are always in the office and they have seniority!

Suzy says the greys own them. "It is unreal to me how the greys can show love and trust in humans after being in the racing program. I really think they appreciate being in a home with hands that aren't going to strike them and only want to pet them. When I hear about abuse cases..I cannot understand how people can treat such trusting beings with anything but love and respect. We are very lucky to be in a situation and have a pack like the one we have!"
