TRACTOR SUPPLY – WHAT A FUN DAY!

We had a great time at Tractor Supply. There were a lot of groups there, including a horse rescue. As usual, we had fun with the hotdog bobbing. Even little Rudy got in on the excitement. He is pretty good with the getting of the hotdog. However, he did prefer the kind lady just give them to him. Thanks to everyone who came out and especially the Waldo's. They helped unpack and repack everything for the day.

Bath Day

It's not that I don't like that feeling of clean. It's that I hate being cold. No matter what, I get a bath once a month. I usually try to figure out what day it will happen and then pretend to be sick, tired, dead...anything to get out of a bath. Dad is unusually cheerful and chipper. He pretends to be extra glad to see me. He tries to sneak into the dog closet and to get the shampoo, towels, brushes, etc. But I see him and run and hide. If he finds me (he always does) I growl at him when he pulls me out from under wherever I am. If I had more teeth I would bite him, but I have so few and I wouldn't want to get Dad upset at me. Besides, if I get through it, there is usually a real nice biscuit waiting for me in my favorite chair.

Okay, here he comes. Oh geez, he's about to drop me under the shower...**awwww that's cold!! Soap in my eyes...rinse! Rinse! Cold! Coldcoldcold!! What are you doing down there?? I can wash that myself!!**

At last a towel.. Ummmm, nice and warm, Mom is holding me and rubbing me and I feel really sleeepppppyyyzzzzzzzzzzz.....

J-Casey
3/29/1996 - 4/9/2011

A little over fifteen years, Casey was born. Knowing only that he was a greyhound mix and had been put into the "night depository" at the Lee County Humane Society.

Always a clown, making us laugh endlessly....and always lovable and 'needy'....and fast...none of the others could catch him. And soft! His coat was like velvet and he always smelled so clean, like he just came in from outside and the smell of grass and dew was in his fur...or maybe the way a leaf smells in the Fall...a clean, sweet musk...

Casey was named after my brother, Jimmy....Jimmy's initials were JKC....so his full name being J-Casey (DiLoreto). We brought him home on Jimmy's birthday and we made Casey's birthday March 29th, the day Jimmy's plane went down in Viet Nam.

Today our Casey has gone on ahead of us, crossing the Rainbow Bridge, to meet up with the other five and together they will all run and play as I remember them in the past...running along the river bank and thru the empty field.

We are sad, but we are also grateful for the blessing of having him in our lives for the last 15 years. We have lots of wonderful memories and we will think of him everyday and remember his velvet fur...*the softest dog in the world!*

Looking for Their Forever Homes...

Binky: He is a 9 year old Italian Greyhound that was relinquished with Harley. He has a prior injury on his right front leg but it does not slow him down. He is a snuggle bunny. He has infrequent seizures.

Rudy: A fawn with a blue ridge down his back, Rudy is 8 years old, very sweet and gets along well with older children. He has some special needs and seeks a family that is understanding and will love him for who he is. He'll make someone a delightful pet!

Harley: He is a black and white boy who was born in 1999. He is very cute with the big ears and friendly personality. He has special needs because of his age. He is active and happy and would be wonderful companion for several more years!

Chipmunk: He is a red fawn boy who was born in October of 2005. He was a fast boy who raced a long time. He is lucky to have made it out alive. He has a major overbite. Chipmunk serves him right with that mouth. Chip is not comfortable

Manney: He is a beautiful blue brindle who came in with an open wound and bad bruise on his back leg. X-rays revealed he had a previous injury that broke his pelvis. He is very sweet and loves attention. He was born in 2009.

Pete: Is a beautiful blue brindle boy with golden eyes! He was born May 19, 2008 so he is a young boy. He has really come out of his shell and acts like a puppy. He is so much fun! Come walk Pete on a fun walk.

Amber: A precious brindle girl. She is so curious about everything. She is a little too curious about cats at this point. She would need to be in home without cats unless someone is willing to work with her.

Duke. Yes, he is a Great Dane. He was chained to a tree and we could not find a rescue to take him in so we decided to help him out. He is not sure of new people but warms up quickly. He is funny to watch running after the greyhounds.

Sally: She is a beautiful fawn who is really a "couch potato". She is very vocal when provoked. She is a snuggle bunny also. If you think Sally would fit into your life-style, give us a call.

Yey for Dennis! He has a family of his own. He has two 2-legged sisters and three 4-legged siblings. He now lives with the Williams in Gordon, GA. Way to go Dennis. He is already a “mama’s boy” and has to be with them all the time. Congratulations Dennis to have your forever home and family!

This pic is from the Museum. He has grown up more since leaving Greyhounds Galore!
